FOR IMMEDIATE RELEASE

hardison/downey construction, inc. Announces New Hires
New Tenant Improvement Project Managers Join Firm

September 12th, 2008, Phoenix, AZ – hardison/downey construction, inc. recently welcomed the addition of two new Project Managers specializing in tenant improvement work to the company.

Eric Rogers joins hardison/downey as a Project Manager from Ryan Companies. Rogers has extensive project management experience in commercial construction and has been managing projects for more than ten years, working for clients such as DMB and Phelps Dodge. Eric received his Bachelor of Architecture from Texas Tech University and is a LEED® Accredited Professional.

Andy Mac Donald joins hardison/downey as a Project Manager from Compass West, Inc. Andy has more than ten years of experience in construction and specializes in corporate office, medical office and higher education tenant improvement projects. He brings with him project experience with clients such as Arizona State University, Club Med, Grainger and State Farm.
